True style

What you need to be chic is well-made furniture with a quiet authority. Give your house a clean-edged look with the latest Temperature pieces, which arrive this month from Melbourne. You can choose from solid American oak tables and veneer tops, carved tub chairs, low stands, two-tier desks-cum-consoles and side tables with tray-style tops. Features include solid 60mm timber tops, lazy susans, removable under-shelves, optional natural or dark stains with tin lacquer finishes and removable top covers.

Bottom line Rounderlay dining table (right), \$2700, dark finish, \$3300; lazy susan (right), \$200
